EU OPEN PROGRAMME

“ The regional communication programme 'OPEN Neighbourhood: opportunities, participation, engagement and networking' is structured around two complementary projects communicating the results of EU support:

- in the Southern Neighbourhood, **EU NEIGHBOURS south**: Algeria, Egypt, Israel, Jordan, Lebanon, Libya, Morocco, Palestine, Syria and Tunisia;

- and in the Eastern partner countries, **EU NEIGHBOURS east**: Armenia, Azerbaijan, Belarus, Georgia, the Republic of Moldova and Ukraine.

Both projects aim at increasing the understanding of the EU support in the Southern and Eastern partner countries of the Neighbourhood region through improved communication. Both projects develop information and communication material, carry out awareness raising and information campaigns and assess the perception of EU and its support through opinion polling and media monitoring.
