_NEWSLETTER

OCTOBER 2021

Dear Reader,

Fall is always a special season at ICMPD, because it is when the organisation gets ready to host the [Vienna Migration Conference](#), Europe's leading forum on migration. This year's theme "Re-imagining migration partnerships: challenges, opportunities and strategies" invites discussants to revisit the concept of migration partnership. You can still reserve your online spot. Further, we are happy to share our latest news and research results, including the policy brief on [Leveraging migration information campaigns for state and migrant security](#).

*Happy reading,
ICMPD Media Team*

IN THE SPOTLIGHT

Vienna Migration Conference
"Re-imagining migration partnerships: challenges, opportunities and strategies"
19 - 20 October 2021

Join the Vienna Migration Conference live for two days of intensive discussions revisiting the concept of migration partnership in light of current dynamics, including the roles of migration diplomacy, whole-of-route approaches and solidarity to address joint challenges and foster innovative solutions.
