

Welcome back to CLUSTER!

Autumn is here! And at **CLUSTER** we couldn't be more excited to share with you our third Newsletter. Once again, you will find the latest news and progress of this ENI CBC Med funded project, our latest reports and our new library section. We hope you will enjoy it!

About the project

CLUSTER tackles social exclusion and poverty amongst vulnerable groups in Cyprus, France, Italy, Jordan, Palestine, Spain, and Tunisia, by capitalising on results of previous projects and equipping young people, particularly women, who are Not in Education, Employment, or Training (NEETs) with marketable skills in the blue, circular, green economy and sustainable agriculture sectors. CLUSTER leads to the strengthening of partnerships between Technical and Vocational Education and Training (TVET) institutions, the private sector and social economy actors, and supports policy-makers in the design of inclusive employment policies.
